Indoor Volleyball Tournament

On March 27, 2009, Heavy Hitters 2 took home the gold. Despite suffering injuries to 4 of their players, they fought through adversity and displayed a great deal of perseverance and courage, going undefeated in the process. The event has raised \$1000 for charity, where \$500 was donated to the United Way, whose efforts has strengthen our communities and improved the quality of life for Canadians. The other half of the amount raised was donated to the Kids Help Phone line at a taekowndo break-a-thon fundraising event.
