What's new with B2B?

Hey again!

It's already November. We are half way through the fall season and Christmas is less than six weeks away. How time flies! Begin 2 Believe hopes everyone enjoyed a happy, family-filled Thanksgiving holiday in October and best of luck to everyone taking classes this term.

The fall season is a time for transition. Here at Begin 2 Believe, it was a matter of taking time to reflect on our summer experiences. A lot was learned in the past six months; we started moving into newer territory and we began challenging our own creativity.

People have begun associating the 'Begin 2 Believe' brand with community-building, the cooperative spirit, friendship and fun – it's become a great motivator for the team. We are constantly brainstorming new ideas and more efficient approaches to our operations. Remember, you're feedback is always welcomed by the B2B team!

B2B representation at the United Way Next Generation Cabinet

Begin 2 Believe Founder, David Nguyen, was recently recruited onto United Way Ottawa's – Next Generation Cabinet.

Begin 2 Believe and United Way Ottawa share many common goals. We both recognize the importance of building stronger communities and feel a deep urgency to stimulate youth, young professionals and volunteers to give, speak up and take action in their communities.

**United Way

Ottawa**

David was brought onto the cabinet after he presented a \$500.00 donation to the United Way. The cabinet is represented by professionals across the city who have not only excelled in their chosen fields but have made outstanding efforts to promote community awareness through fundraising, advocacy and community development activities.

David is also the youngest member on the cabinet. Congratulations!
